[Jennifer Mather Saul] -- 'Filling a gap in the textbook market, Feminism: Issues & Arguments provides an accessible and stimulating introduction to feminist philosophy that assumes no background in the subject.. All that said, I know that we feminists can deal with a lot of flack from those who don't share our enthusiasm for gender equality.. Feminism: Issues & Arguments, By Jennifer Mather Saul Provide Get this from a library! Feminism: issues & arguments.. Here are some of the most common (and maddening!) arguments against feminism we will confront, and how to shut them down.. I'm very aware that I still have to work hard to become a better feminist, but I hope that the approaches I discuss below feel inclusive.
